

Draft Form for Obtaining Students' Feedback for Interested Teachers Only

Dear student,

I have had numerous occasions to assess you, mark you and guide you through comments and suggestions on your academic performance as well as co-curricular activities over the past months. Today, I wish to know what your assessment and perception of my work as a teacher has been. So, please fill in the following assessment form with your honest and considered views without indicating your name or identity on the form. (You may type out the descriptive portion or request another person to write for you, if necessary.)The assessment sheet is divided into two parts. You can, of course, add anything from your side, if you wish to.

Part I

Please tick your preferred answers to the following:-

Did you find me regular and well prepared for my lectures ?

Very much By and large Sometimes Not at all

Did my lectures help you in understanding the texts and preparing for exams ?

Always To a large extent Only partially Not at all
