*Accredited Grade 'A' by NAAC*

January 15, 2022

Dear colleagues,

As we all are aware that feedback from students/alumni/parents /other stakeholders is a very important requirement in the accreditation by the NAAC. It was one of the aspects where we were lacking in our previous NAAC cycle. The IQAC has prepared an online feedback form to be filled by the third year students of our college. It is requested to ask the students of final year to fill up this online feedback form as soon as possible. The link for the same is <https://forms.gle/SpNiMNwg16mKv34i9>

With regards,

Yours sincerely
