

On 23rd February 2018 one-day entrepreneurial workshop was organized. The eminent speakers were Dr. Anand Saxena, Associate Professor, Deen Dayal Upadhyay College, and Ishita Sachdeva. The purpose of the workshop was how to explore and develop business ideas and the process of transformation of skills into a business opportunity.

In the year 2018, the cell organized three days Entrepreneurship Awareness Camp sponsored by DST- NIMAT oriented towards science students. Around 70 students actively participated in the event. The eminent speakers were Mr. Sanjeev Srivesh, Founder & CEO, The Entrepreneurship School; Mr. Punendra Kishore, Co-founder & CEO, Edfora Group, Mr. Amar Ujjwal, Founder & CEO, Wordwave Education Private Limited; and Dr. Garima Gupta, Associate Professor, Faculty of Management Studies among others. The objective of the EAC was to educate students about the various dimensions of entrepreneurship and to highlight the benefits of choosing it as a career path. Students were introduced to various facets of entrepreneurship, such as opportunity guidance, services provided by support system organizations, etc. A tour of the Mother Dairy Plant in Patpar Ganj has also been organized.
