

VISION

Zakir Husain Delhi College guided by its motto “LIVE BY LOVE”, has a vision of being a futuristic institution of highest order and endeavors to achieve by adopting modern educational pedagogical approaches, encouraging innovation and research, creativity and entrepreneurship, empowering and sensitizing students to fulfill their academic aspirations along with their holistic development for being responsible global citizen.

MISSION

Zakir Husain Delhi College aims to provide a learning environment where faculty, staff and students learn to preserve and transmit the knowledge, wisdom and values that will help ensure the progress of future generations. To fulfill this mission, the college observes following practices:

- Promoting a culture of academic excellence in our students by strengthening the core values of integrity and transparency, empowering them to achieve their academic and career goals.
- Holistic development of students through skill development, extracurricular & co-curricular engagements, interdisciplinary learning along with knowledge sharing and collaborative team work to be future leaders and innovators.
- Provide opportunities for character building by open debates & discussions on gender equity, women empowerment etc. through seminars, symposia, and workshops.
- Exposure to the dynamically changing world through progressive technological innovations, digital methodologies, e-learning trends, improved learning management systems , data processing etc. to create a more engaging and effective learning.
- Inculcate culture for creative and critical thinking and provide environment for excellence in research and versatile scientific temperament.
