About Gandhi Study Circle

Gandhi Study Circle of Zakir Husain Delhi College has a consistent history of being the most vigorous society, efficiently providing insights about the political and social life of Mahatma Gandhi to the students for enriching their knowledge to analyze Gandhian values and philosophy along with the practical approach to his beliefs. In recent years, the society has organized a variety of activities, campaigns, and events to familiarize students with Gandhian values and ethics, such as quizzes, debates, art exhibitions, and public lectures of national and international reach.

To engage with Gandhian Thought, Philosophy, and Teachings, the society organizes the Distinguished Gandhi Lecture Series, which has been delivered by some of the most renowned and distinguished Gandhian scholars, including Prof. Akeel Bilgrami, Lord Bhiku Parekh, Prof. Dennis Dalton, Prof. Vinay Lal, Prof. Ajay Skaria, Prof. Karuna Mantena and Prof. Uday Singh Mehta, providing a platform for young Gandhian enthusiasts to listen to and interact with Gandhian experts.

In collaboration with Gandhi Smriti and Darshan Samiti (Ministry of Culture, Govt. of India), the society co-hosts a thirty weeks short-term, skill enchantment and value added certificate course on 'Nonviolent Communication'. According to feedback received to us these classes have been important in developing positive thinking; prosocial behavior; the Gandhian principle of Non-Violent Communication; altruism, gratitude, compassion, empathy, and forgiveness.

In 2018, the society launched a novel initiative of Charkha Spinning Classes. The initiative is exceptional at the University of Delhi, where students are taught how to spin the Gandhian Charkha. The main motive of this exercise is to instill the Gandhian virtue of dignity of labor and to build the qualities of patience and faith in oneself.

During the pandemic the society organized Mind Management Classes, for students to feel relieved of their stress and anxieties with the positive thoughts and practices discussed during the sessions, to face the extraordinary situation of the world.

The society organized various events such as art competition, crossword puzzle competition, student seminar, field trips to Gandhi Smriti, and Teen Murti Bhavan, along with a lecture by Prof. Bindu Puri and the 9th DGLS session by Prof. Vinay Lal commemorating Gandhi Jayanti Utsav and Martyrs Day, in this academic year.

With such unique and broad initiatives, the society is consistently making efforts and aims to provide students with insights into Mahatma Gandhi's political and social life in order to enrich their knowledge and understanding of Gandhian values and philosophy, as well as a practical approach to his beliefs.
