

Eye Check Up Camp

To celebrate Azadi ka Amrut Mahotsav on the 8th of August 2023, World University Service- Delhi University Chapter organised an eye check-up camp in collaboration with Saksham Inderprastha at the foyer of Salman Ghani Auditorium on the premises of the college from 9.30 am to 1.30 pm. More than 180 non-teaching, teaching staff members and students participated in this camp. Post-Covid, the eye problems were increasing as the screen time grew tremendously. This eye check-up camp provided eye testing both automated and manually. The participants were informed about the importance of eye donation and encouraged to donate eyes. Those donated eyes were given the certificates of donors. Those who were suffering from long-sightedness were given free spectacles, as well. The organising secretary of Saksham Inderprastha Shri Devendra Kumar Ji, also announced that if any participant needed any surgery related to glaucoma or otherwise would be treated for free. Prof. Narendra Singh, the Principal, thanked the WUS-DUC and Saksham Inderprastha for their support in organising such a camp for the first time in this college. Mr Khem Chand, representing Saksham, promised to organise more camps in future. Five student volunteers from B.Sc(Hons) Maths III Year helped manage the entire camp, including registration and guiding participants for eye donation. The camp concluded with a vote of thanks by Prof. Gurpreet Singh Tuteja to all the participants, Saksham Inderprastha, paramedics and medical staff of Delhi Bharat Vikas Foundation for organising such a helpful camp.
