

Special Lecture On “Climate Change Negotiations”

On 15th Feb, the Parimandal Society of Zakir Husain Delhi College under the aegis of IQAC conducted a special lecture on “Climate Change Negotiations” By Dr. Dheeraj Mittal, currently working as Assistant Inspector General of Forests, Ministry of Environment Forests and Climate Change and Awareness program by the national museum of natural history on mission life by Dr. CR Magesh. This program was celebrated under ‘Azaadi ka Amrit Mahotsav’.

It was attended by more than 75 students and the faculty of the environmental sciences and botany department, namely Prof. Rattum Kaul Wattal, Dr. Devender Mudgil, Dr. Surabh Sonwani, Dr. Laxmi Hooda, and many more. We also were joined by Prof. P.K Shishodiya the Coordinator of IQAC. The event started with a warm welcome by the hosts and the felicitation of guests was done by Prof. Ratnum kaul Wattal and Dr. Laxmi Hooda.

The opening welcome speech was given by Prof. Ratnum kaul wattal who welcomed all the students and gave a brief about our speakers. Dr. CR Magesh was then invited onto the stage and gave the students a look into mission life and event by which students can attend COP 28. It was then followed by the lecture by Dr. Dheeraj Mittal who gave a brief history of climate change negotiations, working of COP meetings, Common but differentiated responsibilities, respective capabilities principle, COP 27 key outcomes, and Bringing cheetahs back to India.

The question-answer session which followed the lecture was very interactive and students actively participated in the interaction. The students of Parimandal society were called upon the stage next to present a Nukkad Natak on the “plastic hataye paryavaran bachaye” which was aimed at spreading awareness about the effects of plastic on our environment.

The event was concluded by a vote of thanks from Dr. Laxmi Hooda, everybody left with a smile on their face and satisfaction in learning something new.
