

Atmanirbhar Bharat

IQAC, Zakir Husain Delhi College organised a seminar entitled "Managing College Database for IQAC" by Mr Nitin Dawar, Sr. System Programmer, DUCC on 30th August 2022 under the aegis of Azadi Ka Amrit Mahotsav. At the onset, the Principal, Prof. Narendra Singh graced the event by honouring the speaker with a potted plant, followed by presenting a souvenir by Prof Mukesh Jain, Bursar and Prof. Harender Singh, member of the IQAC of College. Prof. PK Shishodia introduced the invited guest Mr Nitin Dawar, Sr Programmer, DUCC. Mr Nitin in his presentation focused on data privacy and managing a sustainable database. He further added that even if the coordinator of IQAC changes after completing his tenure of two years, even then the entire data is secured and maintained and information is available to all the stakeholders at any point of time. He explained how the college can be self sufficient in maintaining a sustainable database. It is an essential aspect as well as requirement of any growing and fostering academic institution. The event was concluded with a vote of thanks by Prof. GS Tuteja. The lecture was attended by approximately 50 teaching and non-teaching staff members.
