## Award of Additional Attendance for Casting Vote in Students' Union Election 2025

Democracy grows stronger when every citizen, especially the youth, participates with a sense of responsibility. Voting is not just a right but also a powerful tool to shape the future of our nation. It has been observed in the past that a large number of students do not excercise their right to vote in elections.

To encourage active participation in the democratic process and to inculcate democratic values among our students, the College has decided to award five (05) additional attendance to those students who cast their vote in the Delhi University Students' Union (DUSU) Election scheduled to be held on 18th September, 2025.

All students are urged to come forward, exercise their right to vote with pride, and contribute towards strengthening Indian democracy.

Let your voice be heard – Your Vote, Your Strength!
