UPDATE YOUR PROFILE

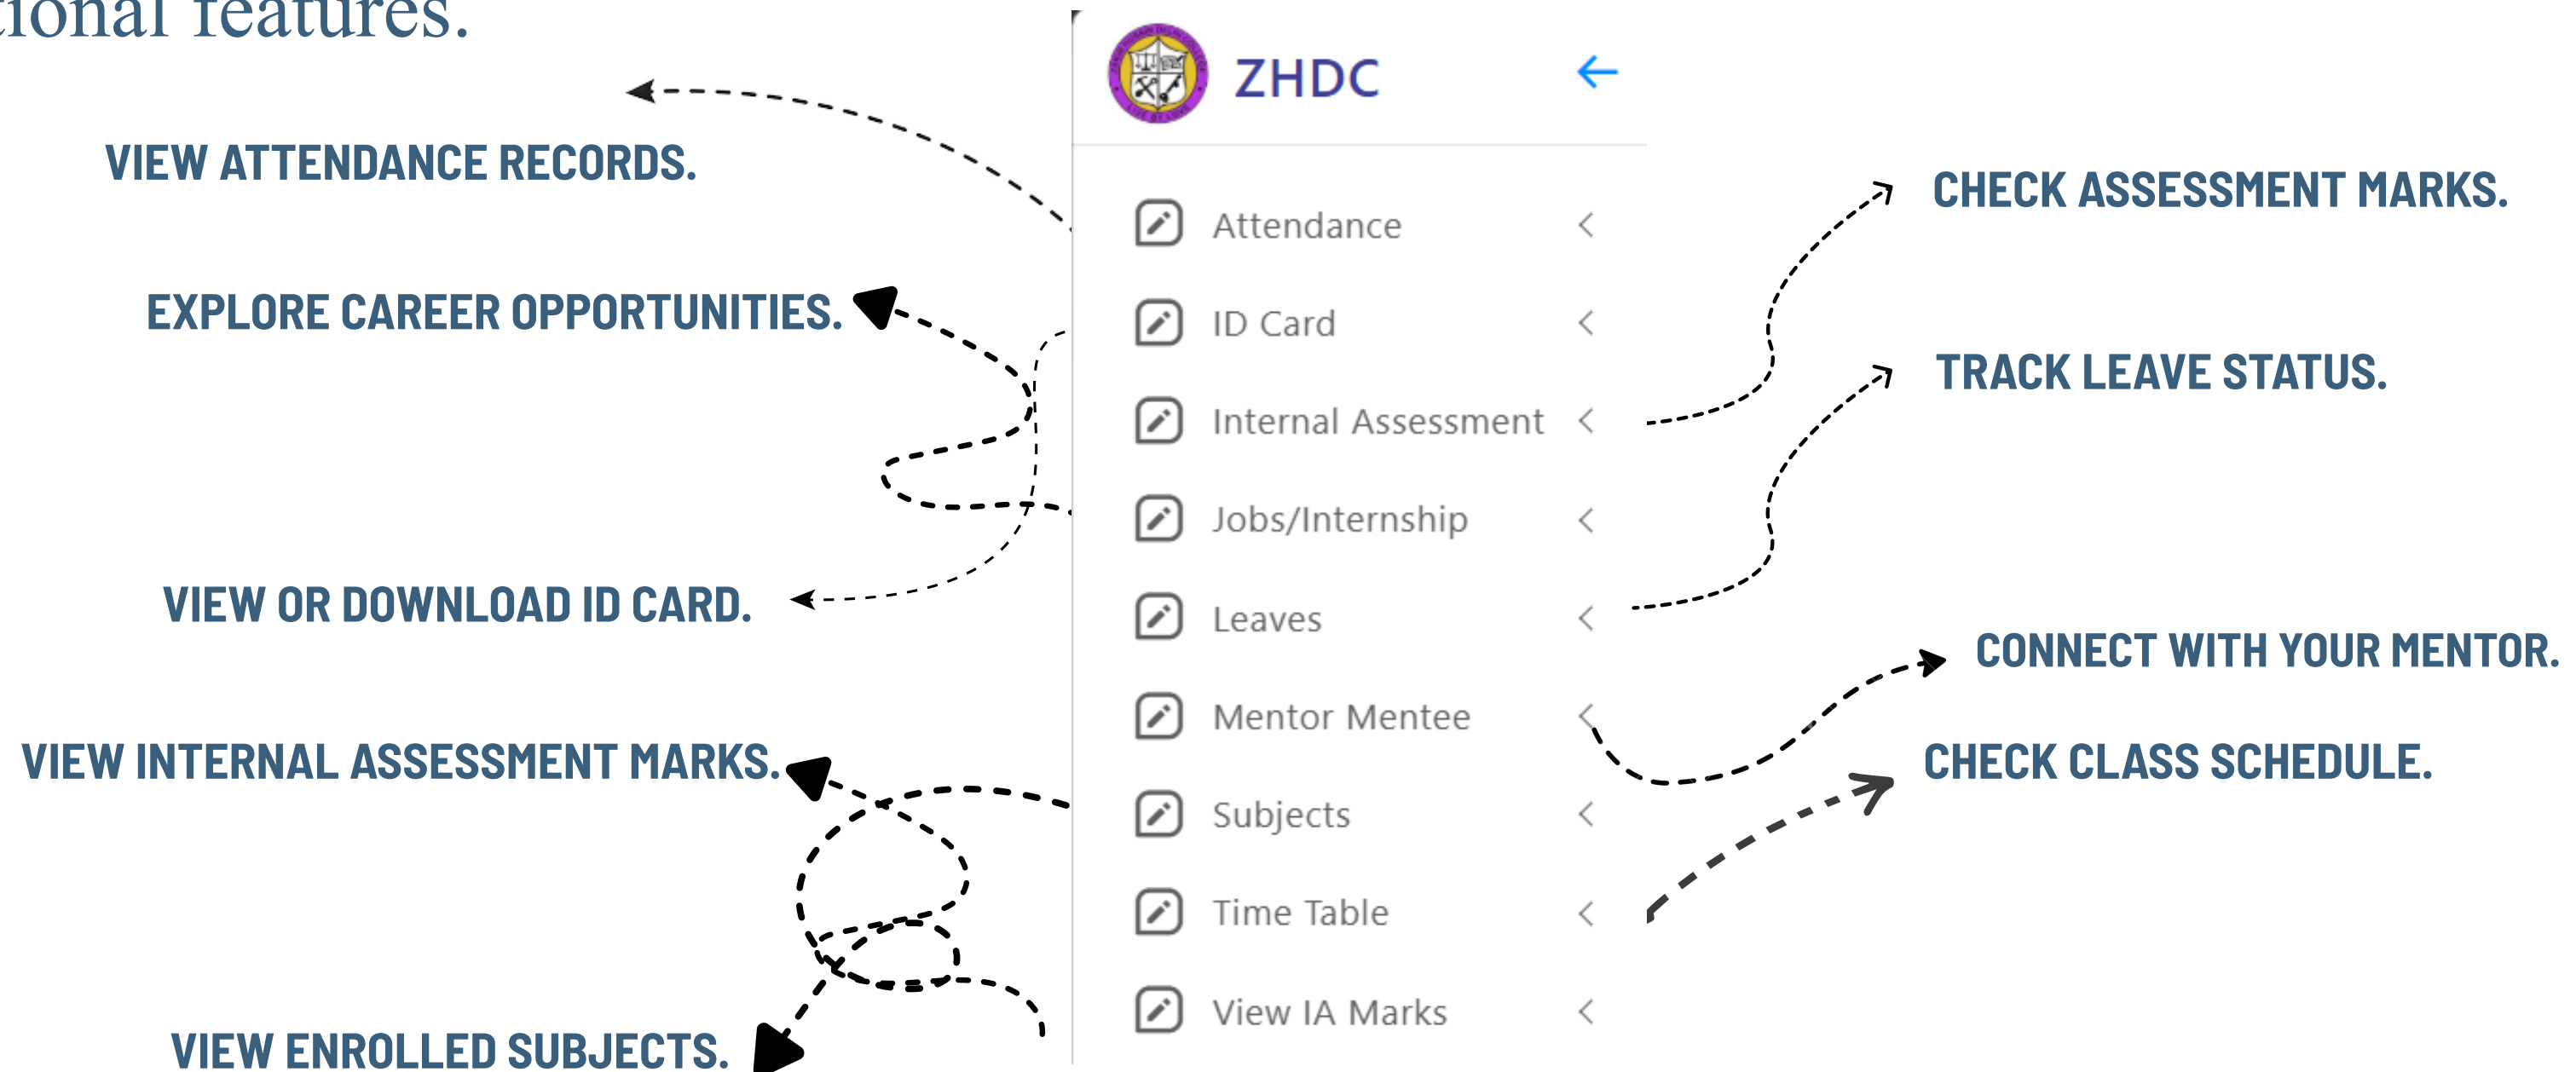

After logging in to the SAMIP ERP Portal, students are required to complete their profile by entering the necessary personal and academic information.

A screenshot of the 'Update Your Profile' form. The form has a dark blue header with the title 'Update Your Profile'. Below the header, the section is titled 'Basic Information'. A red note states: 'Note : Please transfer your data from your institutional mail IDs to your own personal mail IDs as the institutional IDs are likely to be disabled soon. Please do so by 15th August 2025. Please use your personal mail IDs in filling out the exam form on the Samarth Portal.' The form contains several input fields: 'Father's Name(as per 10th marksheet)*', 'Mother's Name(as per 10th marksheet)*', 'Date of Birth(as per 10th marksheet)*' (with a date picker icon), 'Gender*' (with a dropdown menu showing 'Male'), 'Category*' (with a dropdown menu showing '-- Select Category --'), 'Religion*' (with a dropdown menu showing '-- Select Religion --'), 'Personal Email ID*' (with the value 'daniel@gmail.com'), and 'Mobile Number*' (with the value '1234567890').

MENU OVERVIEW

After a successful login, you can use the **menu bar** on the **left-hand side** to access and navigate through various modules available on the Samip erp portal, as well as additional features.

SUBJECT SELECTION

For subject selection, please click on the selection button located beneath the subjects dropdown menu. This action will redirect you to a new page where you will be required to select your SEC, VAC, and GE. It is important to note that you may only select one subject that you have not previously studied in your prior semester. Additionally, please be aware that the DSC subjects have already been allocated

REQUEST FOR ID CARD

The Request for Student ID Card module enables students to submit their information for ID card generation through the SAMIP ERP Portal. Students are required to fill in their personal, academic, parent/guardian, and address details accurately. Before submitting the request, all information should be reviewed carefully, as no modifications can be made after submission. Once the details are verified by the college, the Student ID Card will be generated and made available to the student.
