

Dated 09th October, 2026**Notification****Attention: Re-registration for Improvement of Internal Assessment, Practical and Tutorial Components for Undergraduate Students of Semesters III/V/VII, November–December 2026 Examination of the Academic Session 2026-2027.**

All undergraduate students of Semesters III/V/VII who wish to improve their Internal Assessment, Practical or Tutorial components for the November–December 2026 Examination are hereby informed that they must complete the re-registration process on or before **16 October 2026**.

The procedure for re-registration is as follows:

1. **Regular Students:** Students must apply online through the ERP portal, upload the re-registration fee receipt, and submit a printout of the completed application form along with a copy of their marksheet at **Window No. 7**.
2. **Ex-Students:** Students may collect the application form from the concerned window. Submit the duly completed form along with a copy of the marksheet and a copy of the re-registration fee receipt at the concerned Window.
3. **Assessment Process:** After approval, students must contact the faculty member assigned by the Teacher-in-Charge of the concerned department to complete the assessment.

All eligible students must complete the re-registration formalities within the stipulated deadline. Complete applications and submissions as per the above instructions.
